CEO INTRODUCTION

Thank you for your interest in joining Mission 44. We're building a hugely exciting organisation and the whole team is inspired by the extraordinary potential we have to change lives for the better.

Established by Sir Lewis Hamilton in 2021, Mission 44 is a charitable foundation working to ensure that every young person can thrive in school and access great careers in STEM. We support bold organisations, leaders and ideas to reimagine the future and transform the lives of young people.

We are incredibly fortunate to have the encouragement and support of Sir Lewis Hamilton, whose personal pledge laid the foundations for our work, and whose vision we are working to deliver. Mission 44 will be a profoundly effective, impact-led place to do great work: we're building an organisation that's inclusive, dynamic and collaborative. We're determined that the time you invest with us will enable you to grow personally, as well as offering the huge professional satisfaction of delivering concrete and lasting change. If this sounds like the right fit, we'd love to hear from you.

Jason Arthur, Chief Executive

A successful candidate will enjoy bringing structure, organisation and effective processes to a busy team. They will have high attention to detail, a can-do attitude, and a rigorous approach to project and task management.
